Power Management Welcomes New Account Manager Monica Quinlan

Rochester, NY — August 6, 2024 — Power Management Company, a leading provider of comprehensive energy management solutions headquartered in Victor, NY, proudly welcomes Monica Quinlan to its team as a new Account Manager.

Aidan Corbitt, Director of Account Management at Power Management, expressed his enthusiasm about the new hire, stating, "Monica Quinlan's background and expertise will allow us to better serve our growing customer base. We are thrilled to have her on board."

Monica Quinlan is excited to apply her knowledge and expertise to her new role at Power Management. "I look forward to helping our clients navigate the world of energy and achieve their goals through effective management and innovative thinking," said Quinlan. As Account Manager, she will play a key role in interpreting utility usage data and forward market pricing, helping clients optimize their energy management strategies.

Monica holds a BA in Mathematics from SUNY Geneseo and a Master's in Mathematics Education from the University of Rochester.

The addition of Monica Quinlan is a testament to Power Management's commitment to expanding its team with top-tier professionals to provide world-class energy solutions across North America. For more information about Power Management and its services, please visit www.powermgt.com.

About Power Management:
Founded in 1997, Power Management is an independent energy consulting firm, headquartered in Victor, NY, helps organizations go beyond procuring energy. They provide clients with access to a diverse offering of energy cost and risk management solutions, such as energy audits, lighting and lighting control upgrades, community solar and top-of-the-line EV Charging technologies. Power Management is a trusted energy partner, educator, and advisor to businesses, property owners, and real estate professionals across North America.
