## **Power Management Welcomes New Account Manager, Taylor Mulligan**

**Rochester, NY — August 6, 2024** — Power Management Company, a leading provider of comprehensive energy management solutions headquartered in Victor, NY, is excited to announce Taylor Mulligan as the latest addition to its team of Account Managers.

Aidan Corbitt, Director of Account Management, commented, "Taylor's drive and diverse skill set make her an ideal addition to our dynamic team. She is committed to providing exceptional customer service and exceeding customer expectations."

Taylor Mulligan shared her enthusiasm about her new position, stating, "I am thrilled to join Power Management and apply my skills to helping clients understand and manage their energy needs more effectively." In her role, Taylor will oversee key accounts, ensuring that their energy solutions are not only optimized but also well understood by the clients themselves.

Taylor holds a BA in English from SUNY Fredonia and a Graduate Diploma in Journalism from the University of Limerick in Ireland.

The addition of Taylor reflects Power Management's dedication to enriching its team with diverse and skilled professionals capable of pushing the boundaries of energy management. For further details about Power Management and its offerings, visit [www.powermgt.com](http://www.powermgt.com).

### **About Power Management:**

Founded in 1997, Power Management is an independent energy consulting firm, headquartered in Victor, NY, helps organizations go beyond procuring energy. They provide clients with access to a diverse offering of energy cost and risk management solutions, such as energy audits, lighting and lighting control upgrades, community solar and top-of-the-line EV Charging technologies. Power Management is a trusted energy partner, educator, and advisor to businesses, property owners, and real estate professionals across North America.
